FALL ISSUE | OCTOBER 2026

Giant Pumpkin Fest Returns for its 4th Year

The 4th Annual Giant Pumpkin Fest brought plenty of fall fun to West St. Paul, with approximately 1,200 attendees throughout the day.

There was something for everyone to enjoy, from pumpkin decorating, a craft and vendor market to the petting zoo, face painting, balloon twisting and cotton candy. Sleepy the Clown entertained the crowd, while Tiffany and Curtis got everyone moving with line dancing. The West St. Paul Fire Department also joined in on the festivities.

Of course, the pumpkins were the stars of the show! Congratulations to this year's contest winners.

Thank you to our generous sponsors, and to everyone who came out, entered the contests, visited the booths, volunteered and helped make this year's Giant Pumpkin Fest such a fun community event. We look forward to welcoming everyone back next year! ●●●

Kevin Chief Shares His Story in New Memoir

Former Manitoba MLA, Indigenous community leader and West St. Paul resident Kevin Chief has added "author" to his long list of roles with the release of his new memoir, *With a Name Like Chief: Reflections on Recovery and Identity Through the Seven Sacred Teachings*, written with Stu Slaven.

Released September 1, the book offers a personal look at the experiences that have shaped Chief's life, from growing up in Winnipeg's North End and his Indigenous roots, to his journey through addiction and recovery, his time in public service and the people who supported and encouraged him along the way.

Chief, a member of Minegoziibe Anishinabe First Nation, represented Point Douglas in the Manitoba Legislature from 2011 to 2017 and held several cabinet

positions during his time in office. His work has also included youth development, education, employment and Indigenous community leadership.

At the heart of *With a Name Like Chief* are the Seven Sacred Teachings of the Anishinaabe, which Chief draws on as he reflects on recovery, identity and the lessons he has learned throughout his life.

"This book is a reflection on the people and moments that shaped who I am," Kevin explained. "I hope that by sharing my story, others might see a little of their own journey in it."

Chief has been part of the West St. Paul community for several years and has also shared his

experiences with local youth. In 2020, he visited West St. Paul School to speak with students about diversity, heritage and the importance of being proud of who you are. ●●●

Costco Breaks Ground in West St. Paul

A major milestone in West St. Paul's continued growth was celebrated on August 14 with the official groundbreaking for the new Costco Wholesale in the Meadowlands development.

Located on Meadowland Drive, the new Costco will feature an approximately 161,992-square-foot warehouse on a 20.94-acre site. Plans include an eight-lane gas bar, tire centre, food court, and seasonal outdoor garden centre. The site will also include 1,038 parking stalls, with access from Meadowland Drive and Whitehaven Drive.

The development will bring new employment opportunities, strengthen the Municipality's commercial tax base, and provide residents with greater access to shopping and services within the municipality.

"As West St. Paul continues to grow, it's important that our commercial development grows alongside our residential development," said CAO Jeff Simpson. "Costco is a significant addition to our community and an important step toward creating a more complete municipality with more opportunities for residents to live, work and shop close to home."

The new West St. Paul Costco is expected to open in August 2027. ●●●

West St. Paul CSOs Are Putting the Brakes on Speeding

A West St. Paul Community Safety Officer issued the department's first traffic ticket after a driver was observed travelling well above the posted speed limit on Blackdale Road.

At approximately 7:45 pm, a Community Safety Officer was conducting traffic education and enforcement when a southbound vehicle was observed travelling at a high rate of speed. Using a LIDAR speed-measuring device, the officer recorded the vehicle travelling 137 km/h in a posted 90 km/h zone.

The driver was stopped and issued a \$665 speeding ticket.

This is a reminder to obey posted speed limits and drive responsibly. Traffic enforcement is an important part of keeping West St. Paul's roads safe for motorists, cyclists and pedestrians. ●●●

West St. Paul Remembrance Day Service

**WEDNESDAY,
NOVEMBER 11, 2026**

Please join us at the Access Centre as we honour all Veterans, especially those from the Rural Municipality of West St. Paul.

Doors open at 10:00 am
Service will begin around 10:30 am

Fire Department Welcomes Community at Annual Open House

The West St. Paul Fire Department welcomed over 600 people to its annual Open House on Sunday, September 13 for an afternoon of family friendly activities, demonstrations and a behind the scenes look at the work of our local firefighters.

Visitors had the opportunity to explore the fire station, fire safety trailer, check out the department's trucks, tankers, rescue boat and off-road vehicle, and even climb inside the equipment. Attendees could also try on firefighter gear and learn more about

the tools and equipment used by the department. A live vehicle extrication demonstration also took place, giving attendees a closer look at how firefighters respond when someone is trapped in a vehicle following a collision. There was plenty for younger visitors to enjoy as well, including a bounce house, face painting and games inside the fire hall. Families could also enjoy free hamburgers, hotdogs, and drinks throughout the afternoon.

Members of the Citizens on Patrol Program (COPP) were also onsite to connect with residents and share information about their work in the community. Thank you to everyone who came out to meet our firefighters, explore the station and equipment, and spend the afternoon with the West St. Paul Fire Department. A special thank you goes to the members and volunteers who helped make the event possible.

New Notice Boards Added at Mailbox Locations

New community notice boards have been installed at several mailbox locations throughout the community. The boards provide a convenient place to share community information and notices in neighbourhoods throughout the municipality. New notice boards were installed at the following locations:

- Masters Avenue
- Bur Oak Drive
- Tamarack Drive
- Parkview Pointe at Linden Lane
- Red Pine Drive at Acorn Way
- Parkview Pointe Drive at Red Pine Drive
- Elm Drive
- Newman Street
- Pawley Street
- Cornerstone Heights at Meadowland Drive
- Northhaven Way at Meadowland Drive
- Northhaven Way at Crocus Lane

These additions help make community information more accessible to residents at locations they regularly visit.

Back to School Safety Tips

School is back in full swing! West St. Paul Citizens on Patrol (COPP) group would like to take the opportunity to send some important safety tips and reminders:

Slow down: Be aware of residential and school zone speed limits.

Watch for the school bus: Always stop completely for school buses with flashing red lights and extended stop arms.

Practice routes: Walk, bike or drive the designated school or bus route with children ahead of time to identify hazards.

Use the crossing guards: Establish visible crossing guard stations at busy community intersections.

Put screens away: Teach kids to keep phones, devices, and earbuds out of use while walking or biking near traffic.

Helmet habits: Mandate properly fitted helmets for anyone riding bikes, skateboards or scooters.

The buddy system: Encourage children to walk in groups or pairs.

If you are interested in finding out more about West St. Paul COPP please contact us at info@wspcopp.com. We would be happy to provide you with more information about the program. See how you can make a difference in our community by volunteering 2-4 hours a month patrolling.

And as always, just a friendly reminder to please report all suspicious or criminal activity to the RCMP, our local Community Safety Officers and the West St. Paul COPP volunteers. Your reports can directly influence our community!

Let us all work together in providing residents with a "Safer Community".

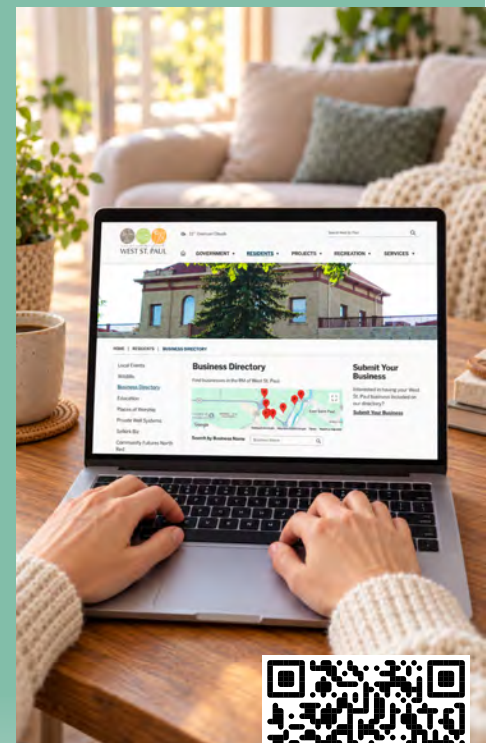

Help us build our business directory!

We need your help filling our new West St. Paul Business Directory!

Do you own or operate a local business, organization or service? Or is there a business or organization in the community that you know, support or recommend? Help us grow the directory by submitting a listing.

Visit the Business Directory page on our website to see current listings and submit a business or organization.

PUPPS and TIPPS Contest Winners

This summer, the RM of West St. Paul launched a contest encouraging residents to sign up for the Pre-Authorized Utility Payment Plan Service (PUPPS) or Tax Installment Payment Plan Service (TIPPS) in exchange for an entry to win a variety of prizes. Residents had until September 15 to submit their enrollment applications; the draw took place on September 24.

The campaign resulted in 222 new enrollments across the two programs, including 137 new TIPPS enrollments and 85 new PUPPS enrollments.

Both PUPPS and TIPPS allow residents to make their payments through monthly installments, providing a convenient way to manage utility bills and property taxes throughout the year.

The winners of the contest are:

BBQ Lilian E.	Snowblower Manuel C.
Nintendo Switch Fortified Development Building #17	FoodCycler Jaswinder & Navjot S.
Lawn Mower Nadiia P.	Mitch S. Jeff P.
TV Francisco & Marc C.	Laura D. John P.

Congratulations to the winners and thank you to all of the residents that enrolled! ●●●

New Security Cameras Add Another Layer of Safety

The RM of West St. Paul has installed new security cameras at several locations throughout the community as part of ongoing efforts to support neighbourhood safety and security.

The cameras have been installed at:

- Dearman Road at Blackdale Road
- Corunna Avenue at Blackdale Road
- Parkview Pointe Drive at Main Street
- Rivercrest Park, near the parking area at the far corner of the park, facing the playground and shelters
- Kapelus Drive near McPhillips Street

The cameras provide an additional layer of visibility in key areas throughout West St. Paul and can support the RM and law enforcement when responding to incidents or investigating concerns.

These installations are one of the ways we are continuing to work with residents and community partners to help keep West St. Paul a safe place to live and work. ●●●

Can I Park Here?

Many new "No Parking" signs have been installed throughout the municipality. Before parking your vehicle, please take a moment to check for posted signage and make sure you are not parking in a designated no parking area.

Vehicles parked in a No Parking zone may be subject to fines and/or towing at the owner's expense.

When in doubt, check the signs before you park. ●●●

Accessibility Committee Hosts First Accessibility & Wellness Fair

The West St. Paul Accessibility Committee hosted its first Accessibility & Wellness Fair on September 17,

bringing together approximately 150 residents and 38 organizations and service providers for an afternoon focused on accessibility, health and wellness.

Attendees had the opportunity to visit interactive booths, learn about local programs and services, ask questions and make connections with organizations that support people of all ages and abilities.

The event also featured presentations from Dynamic First Aid, Connect Employment Services and

CancerCare Manitoba. The first 100 attendees received a gift bag, and visitors who completed an event passport were entered into a draw to win prizes.

The fair provided an opportunity for residents to discover resources available in their community while creating connections between local organizations, service providers and residents.

The Accessibility Committee would like to thank all of the participating organizations, volunteers and residents who

helped make the first Accessibility & Wellness Fair a success. ●●●

Get Ready for Fall Cleanup

Fall is here, which means it's time to tidy up the yard before winter. Residents are reminded to take advantage of the remaining yard waste collection dates to clear leaves, grass clippings and other yard waste from their properties.

The final yard waste collection dates for 2026 are:

East of Main Street:
Monday, October 19

West of Main Street:
Monday, October 26

If you have yard cleanup to do, now is a good time to get those leaves, garden waste and other yard materials ready for collection.

Yard waste should be placed in brown paper yard waste bags, cardboard boxes or reusable containers without lids. Plastic bags are not accepted.

Once the final collection has passed, residents will need to make other arrangements for any remaining yard waste. Plan ahead and take advantage of the last few collection days before the season comes to an end. ●●●

A Busy Season for Road Improvements

Throughout the 2026 construction season, the RM of West St. Paul completed a range of road and infrastructure projects, including roadway reconstruction, paving, traffic calming, pathway improvements and work at several intersections.

Road work included roadway reconstruction and improvements on Rossmore Avenue, Miller Road, Jackman Road, Diane Drive, Caravelle Lane, Lister Rapids Drive, Mirabelle Road, River Elm Drive, Riverglen Crescent, Vandal Street and Addis Avenue. Work included foundation replacement and improvements, paving and surface repairs.

Several other improvements throughout the municipality were also completed, including:

- Six new asphalt speed humps to support traffic calming
- Approximately 900 metres of new paved trail in the Trails of West St. Paul, with a 1.6-metre-wide asphalt surface
- A paved trail extension in Parkview Pointe, connecting the existing pathway to the Access Centre grounds
- Improvements to Parkview Pointe, including a turning lane extension
- Joint repairs on several concrete roads
- Road surface crack sealing and maintenance on Holland Road, Kapelus Drive and Grassmere Road
- Widening of corner radii at six locations to improve turning movements
- Improvements at the RM Administration Office entrance to address standing water and maintain accessibility
- Roadway improvements on St. Paul Boulevard
- Improvements to the Riverdale intersection

Improvements were also completed at three CPKC railway crossings at Miller Crossing, Jackman Crossing and Rossmore Crossing, including replacement of rails, ties and approaches and asphalt paving through the crossings.

These projects help address ongoing road and infrastructure needs throughout West St. Paul. ●●●

Tortoise Takes a Long Walk to Oak Hammock Marsh

One West St. Paul family learned just how far a determined tortoise can travel when their pet Molly went missing this summer.

Molly, an African Spurred Tortoise, disappeared from her home and eventually turned up more than 20 kilometres away at Oak Hammock Marsh. Visitors began reporting sightings to the Marsh, helping staff locate her.

For Molly, the trip was a long way from home and a very different environment from what she is used to. African Spurred Tortoises are native to hot, dry regions of Africa and are land-dwelling animals. Manitoba's wetlands are certainly not their usual habitat.

Thankfully, Molly was safe and, after receiving plenty of snacks from the Oak Hammock Marsh staff, was reunited with her family. She was a little tired after her adventure, but otherwise doing well.

Photo courtesy of Oak Hammock Marsh

A big thank you to the Oak Hammock Marsh visitors and staff who helped bring Molly home. We're glad this long walk ended with Molly safely back where she belongs! ●●●

Message from JD Devgan

Happy Fall Season and Back to School!

As we welcome the fall season and a new school year, I find myself reflecting on another busy and exciting summer here in McPhillips and West St. Paul. Once again, I was reminded of how incredible our community is and how fortunate we are to have so many residents, volunteers, organizations, and community leaders working together to make our neighbourhoods stronger and more connected.

There is also so much to look forward to as our community continues to grow, with exciting new investments helping build a brighter future for families and children.

Summer was a wonderful season filled with community celebrations, special milestones, and plenty of popsicles for kids to enjoy on warm summer days!

It was a pleasure to celebrate new homes, marriages, neighbourhood gatherings, and the many memorable moments that make our community so special. From sharing in important milestones to simply enjoying a beautiful summer day with neighbours and friends, I am grateful for every opportunity to connect with the incredible people who call our community home.

The Chardikala Sports Tournament was another fantastic event, bringing people together through sports, entertainment, food, music, and family-friendly activities. With incredible performers, delicious food, and bouncy castles, it was a great celebration of community and connection.

I also had the opportunity to attend the West St. Paul Firehall Open House, where I enjoyed meeting and speaking with our local first responders. Their dedication and hard work play an essential role in keeping our communities safe and healthy. It was a pleasure to thank them for the important work they do each and every day.

It is always a great time catching up with the West St. Paul Citizens on Patrol Program (COPP) at their annual BBQ. Murray and the dedicated volunteers generously give their time to be the eyes and ears of the community, helping promote safety and reporting suspicious activity. Their commitment and volunteerism are greatly appreciated.

As we begin a new school year, I want to wish all students, parents, teachers, educational staff, and families a safe, successful, and exciting year ahead. The fall is a time of new beginnings, new opportunities, and new goals.

Thank you to everyone who helped make this summer so memorable. I am excited to see what the fall will bring!

As always, if you have any questions for myself or would like to chat, I can be reached at JD.Devgan@yourmanitoba.ca or at (431) 323-6014. ●●●

Winner will be announced on November 2.

NWMBA Annual Awards Night

The North Winnipeg Minor Baseball Association (NWMBA) held its annual awards night on September 23, celebrating the achievements of players, teams and volunteers from the past season.

Congratulations to Barb Chreptyk, who was named Volunteer of the Year; Ryder Brehun, who was named 11U A Player of the Year; and the Winnipeg Pirates, who were named Grassroots Team of the Year.

Congratulations to all of this year's award recipients on their achievements! ●●●

Supporting Our Community Through Sponsorship

Earlier this year, the RM of West St. Paul provided sponsorship support to Rossdale Ukrainian Dance School, helping local dancers take part in the Manitoba Ukrainian Dance Festival in Winnipeg from April 10 to 12.

Dancers aged 6 to 14 performed 24 dances at the festival, including solos, duets, small groups and large groups. Their hard work paid off, with Rossdale dancers earning 14 Gold medals and 10 Silver medals.

"Rossdale Ukrainian Dance School is deeply grateful to the RM of West St. Paul for their generous sponsorship, which provided our Ukrainian dancers with the incredible opportunity to compete at Manitoba Ukrainian Dance Festival in Winnipeg" said Crystal Leochko Johnston, Fundraising Coordinator for Rossdale Ukrainian Dance School.

The sponsorship was provided through the RM's Sponsorship Policy, adopted by Council on January 8, 2026. The policy creates opportunities for residents, local organizations and community event organizers to receive municipal sponsorships, donations or in-kind support for activities and initiatives that benefit the community.

Applications are accepted twice each year, with intake deadlines of March 1 and September 1. If you are a resident, local organization or community event organizer planning an initiative that could benefit from municipal support, we encourage you to apply.

Congratulations to the Rossdale dancers on their accomplishments and thank you for sharing your success with the community! ●●●
