

## **NOTICE TO RESIDENTS**

### **Notice of Drilling Activities on Nye, Baldock, Evelyn, Hiawatha, Kenabeek and Minnehaha**

Test holes are scheduled to be drilled on Nye Avenue, Baldock Street, Evelyn Avenue, Hiawatha Avenue, Kenabeek Street, and Minnehaha Avenue on or about May 24 and 25, 2023. Once started, the drilling will be completed within two (2) days. Fourteen (14) test holes are planned for this area.

The test hole drilling is being conducted to help assess the feasibility and cost of a gravity sewer system for this area.

Residents are advised to keep a safe distance from the drill rig and to keep children and pets away from the drill site at all times.

We understand that this project may cause you some inconvenience and we appreciate your patience and cooperation.

If you have any questions or concerns regarding this project please contact Dave Romanow, Acting Director of Infrastructure at 204-338-0306.

Dated this 17<sup>th</sup> day of May, 2023.
