

To Residents/Businesses

Update on Sewer Construction on Addis, Brigham and Rossmore

Work on the Rossmore/Addis Local Improvement Wastewater Sewer project is continuing. Crews are completing the west end of Addis Avenue and sewer construction on Rossmore Avenue from Main Street heading west is beginning.

Sewer construction will continue throughout the winter months and substantial performance of the project will be completed by March 1, 2020 with site restoration in the spring of 2020.

For your safety and to provide adequate working space for the contractor, no parking will be allowed on the road for the duration of construction. Recycling and garbage collection will not be affected and one lane of traffic will be maintained for the duration of construction. ***To keep your children and pets safe, please keep them away from the construction site at all times.***

If you have any questions or concerns regarding construction, please contact Brett Ransom, of Stantec Consulting Ltd., at 204-489-5900 during regular business hours or by email at brett.ransom@stantec.com. The contractor's project contact is shown below.

- Darco Enterprises, Jonathan Peters, General Manager (204-233-9760)
- Darco Enterprises, 24-hour emergency (204-793-4000)
